

MERLINS PET SHOP PRESENTS:  
**THE AMAZING CANINE &  
FRIENDS TREASURE HUNT**

Congratulations Team! From all of us involved in the Merlin's Canine & Friends Treasure Hunt, we are so happy you are joining us on this fun adventure. We are eager for you to have fun and get to know more local businesses. Life works best when we support each other!

For our Premiere Treasure Hunt, we are featuring personal care and well being businesses as a treat to revive ourselves after 2020! Enjoy!

Team Member Rules and Instructions:

1. The Treasure Hunt will begin on Tuesday March 9th. Beginning that Tuesday and every Tuesday after, each team will be texted a clue, at approximately 11 a.m. The clues will direct you to a participating business location. You will receive a total of 6 clues for 6 weeks, supporting 6 businesses. Your first clue will be a synonym clue.
2. The clue must be solved in the week it is given, and you must visit the business in the same week. If your team is unable to solve the first clue, you may text back for an additional hint on Thursday. When your team solves the clue, continue on to the business location to pick up your free gift during their business hours.
3. Every team is required to take a selfie with their animal friend at each business location, post it on their own social media pages, and tag Merlin's Pet Shop on the posts. At the end of the Treasure Hunt a cash award \$\$, \$50 Visa Gift Card, will be given to the team with the most likes and the most creative selfie.
4. Participation must be with the Team Owner and Canine friend; however, not all businesses are pet friendly so please leave canine/feline team member safely in a vehicle or with a friend when you go inside.
5. Participate with integrity.
